Larimer County Farmers' Market

2021 Vendor Checklist

- Submit online vendor application form via Manage My Market by March 26, 2021.
- Pay non-refundable application fee via vendor's Manage My Market account by March 26, 2021.
- Upload copies of all applicable Health Department, Cottage Food Producer documents, and tax licenses. These documents **MUST** be uploaded to vendor's Manage My Market account in order for your application to be considered. Questions? Please contact the Larimer County Health Department.
- Fill out a copy of the Health Department Farmers' Market Application Form (for vendors selling edible products other than whole uncut fruits and vegetables); You must upload one copy to Manage My Market, and send another copy to the Larimer County Health Department.
- Produce vendors who participate in produce consignment or exchanging must obtain written permission from the LCFM and upload a copy of their current Farm Products Dealers License, a complete list of products being traded that the vendor desires to sell at the LCFM, and the name, address, phone number and email address of the trading partner.
- Upload a copy of a valid City of Fort Collins sales tax license (not a state or county tax license) if you plan on paying your own sales tax.
